## **Tournament Package**

A Boston Billiard Club Tournament Director will lead your group in a team building event or use this as a great way to turn your everyday corporate gathering into a time full of camaraderie and fun.

### **Package Includes**

- A tournament director will guide and coordinate the teams and placements.
- 2 trophies with your company's name, event and date on it for first and second place.
- 2 or 4 T-shirts with the Boston Billiard Club logo for third place.

**\$500.00**

Ideally the total amount of people to play in a tournament is either 8, 16, 32 or 64. Players are set up in teams of 2 or 4. An odd amount of people would get a "bye" which means some teams would advance to the second round automatically.

We would need the names of the players 24 hours in advance and put them in groups if you would like.
